Dear Arun and the entire Celebrate India Team

On behalf on Beyond Blue, congratulations on an exceptional Diwali Festival at Federation Square last Saturday.

Thank you so much for your generosity and for looking after our team so well.

We were absolutely honored to be there and we certainly had many valuable conversations with many of the attendees around mental health and wellbeing.

Arun, you spoke so beautifully during the formalities of the evening – and of course thank you the branding and messaging on the big screen and your Beyond Blue call outs throughout the day.

I have shared some stories and photos of the event with our team and everyone wishes to pass on their gratitude.

Let's keep in touch.

Best wishes,

Kath
