Dear Arun ji,

Please accept our greetings.

Year 2020 – (COVID-19) has been difficult and challenging for entire humanity. Despite of all challenges you and your team managed to organize such a wonderful

'Virtual Diwali Festival'. We would like to congratulate entire team of 'Celebrate India' for the hard work you and your team have put in under difficult situation. The rangoli artwork with vegetables and fruits was outstanding.

Via these events and festivals, we are able to share our rich culture with wider audience (outside of India). 25 or 30 years back Diwali, Holi or any other Indian festivals were practically unknown to non-Indian people, however nowadays these events are well known to everyone throughout the world, thanks to organizations like yours putting efforts in bringing these events in forefront, via these festivals we are able to preserve and pass on the cultural values to the future generation.

On behalf of ISKCON Melbourne Food for Life I would like to thank you (Celebrate India) for your kind donation of around 30 boxes fruits and vegetables which were used to for our Food for Life program.

Keep up the good work.

Hare Krishna.

Kind regards,
